

**Persona:** Sammy Torres

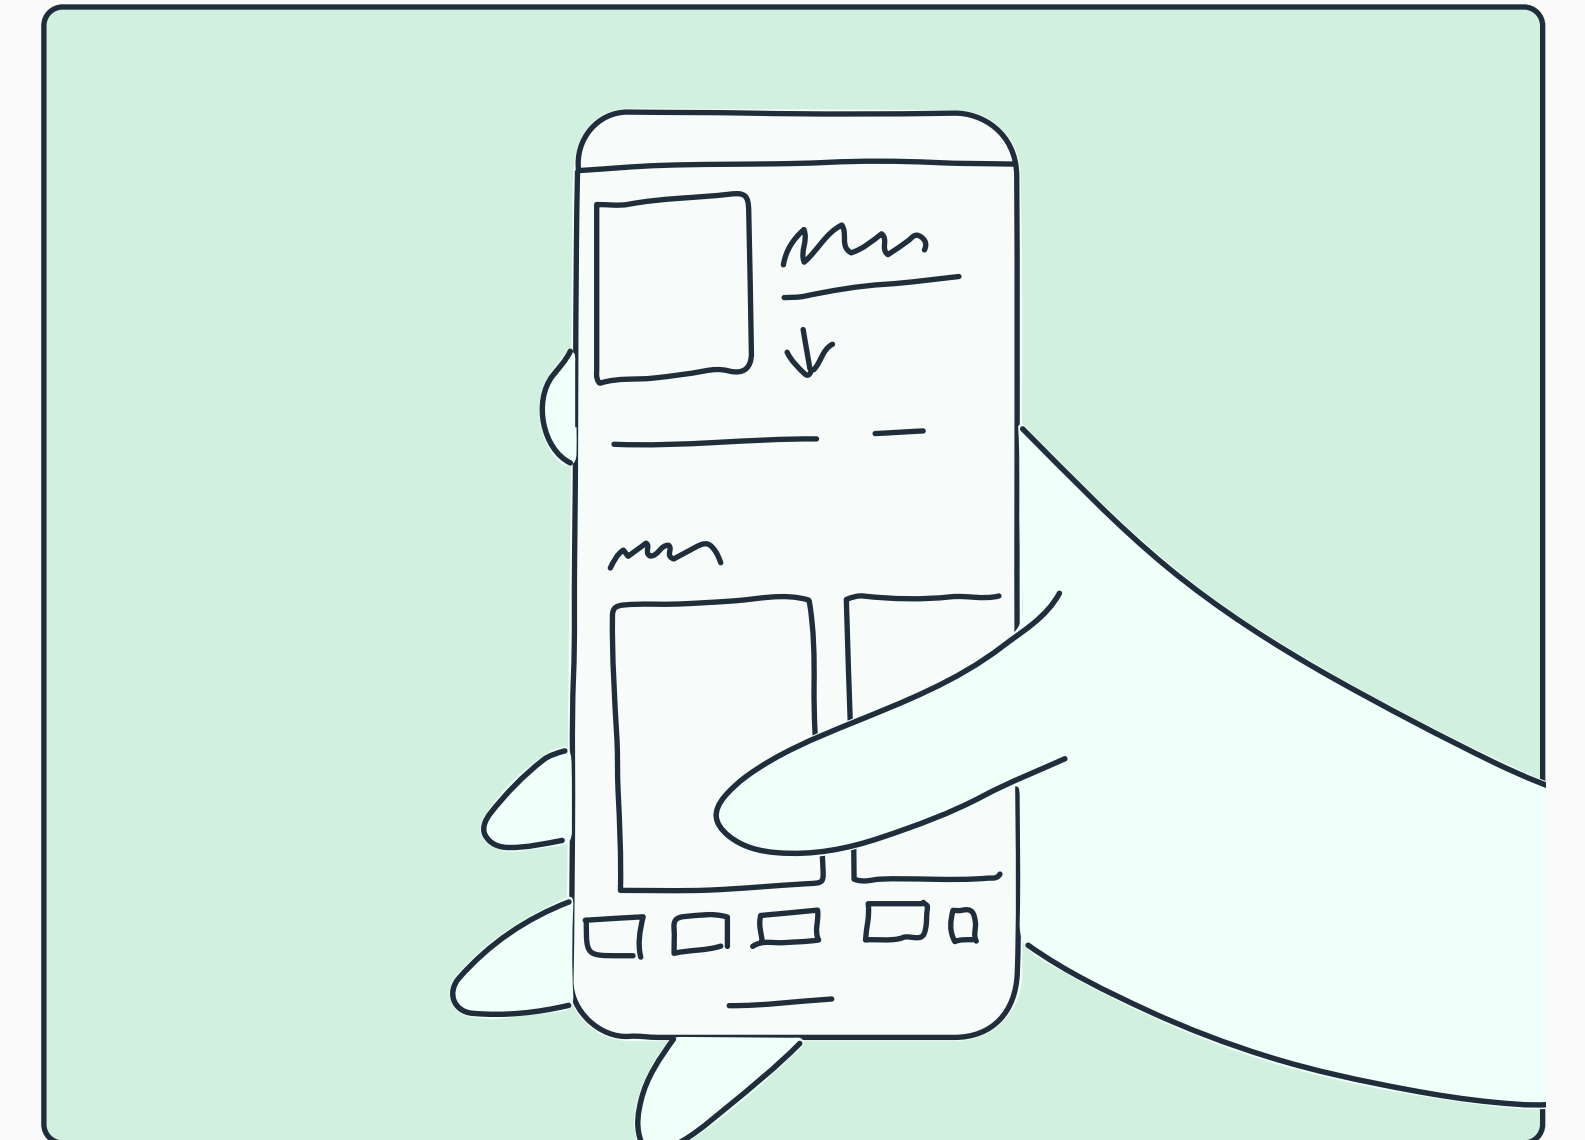

**User story / Scenario:** Sammy gets a tarot reading on her morning commute

Sammy passes time on her morning commute by scrolling through Instagram

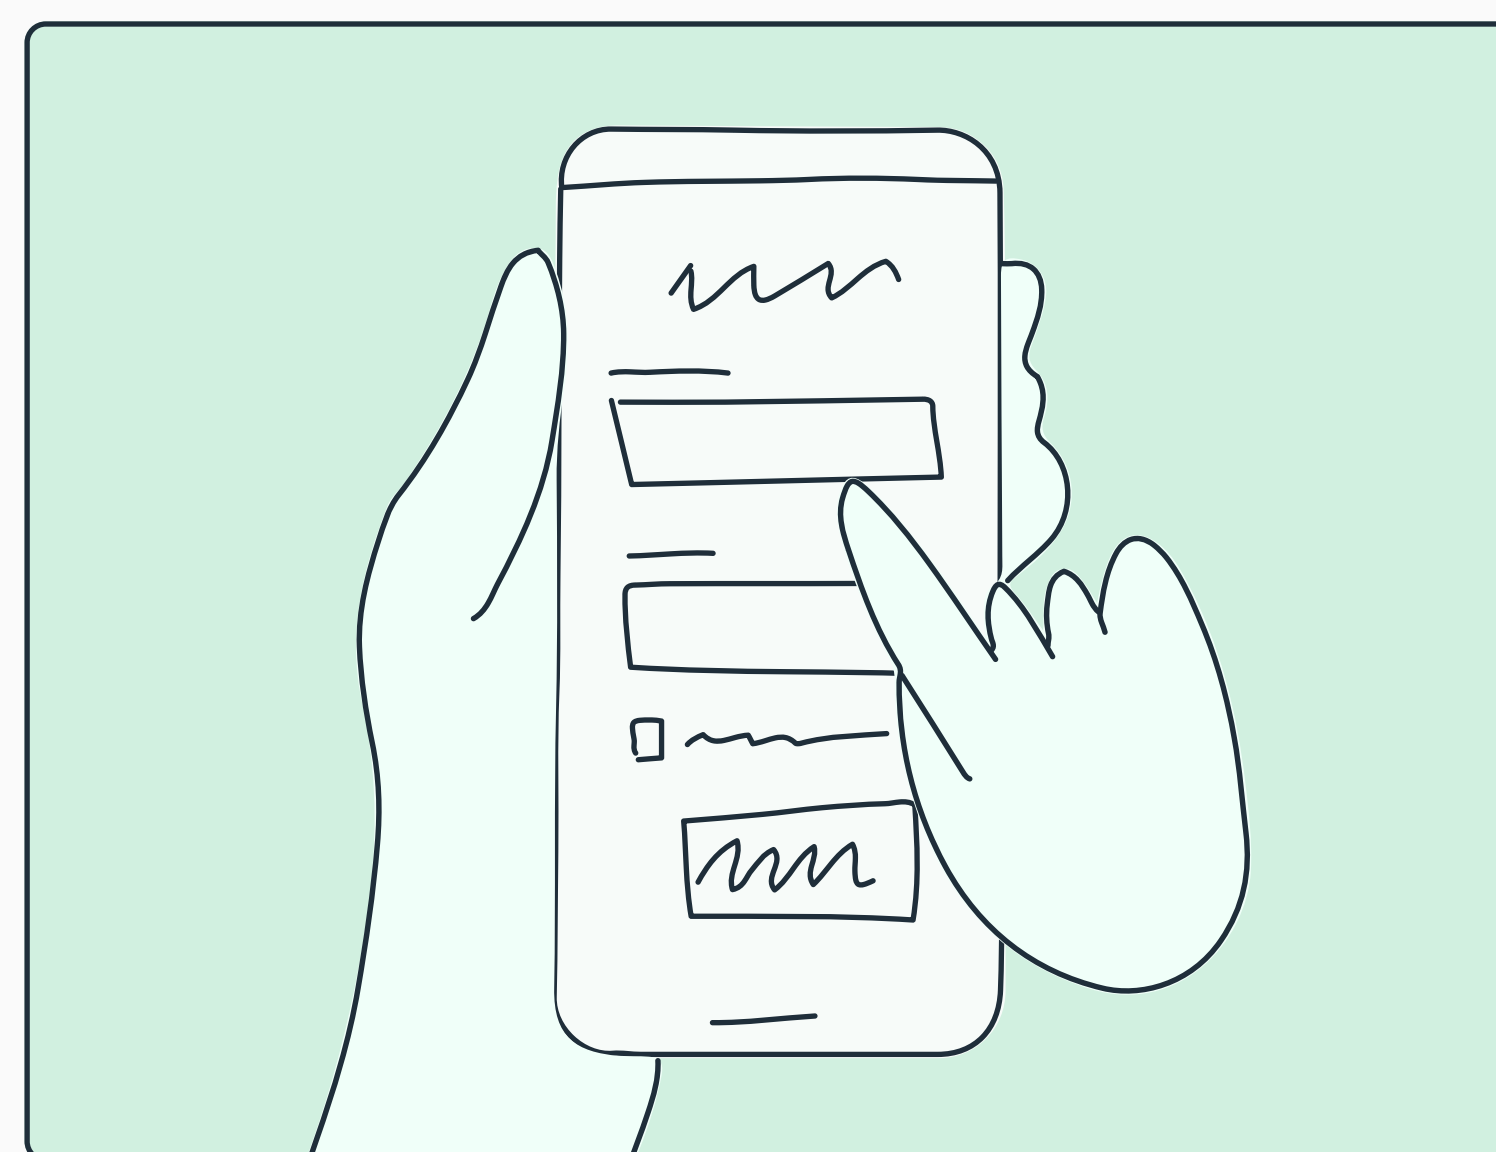

She receives a notification reminding her to get her daily tarot reading

She opens the app and starts drawing tarot cards.

Sammy notices that the bus is almost at her stop.

She skips ahead and reads her auto-generated tarot reading.

Sammy thinks her reading is inspirational and decides to share it on social media as she walks to the office.
